Department to track the time spent litigating court cases and for providing legal services.

EFFECTIVE DATE: Unless there is a further notice in the **Federal Register**, this new system of records and the amendment to the existing system will become effective on August 9, 1995.

ADDRESSES: Written comments may be mailed or delivered to Robert A. Shapiro, Associate Solicitor, Division of Legislation and Legal Counsel, 200 Constitution Avenue, NW., Room N-2428, Washington, DC 20210.

FOR FURTHER INFORMATION CONTACT: Miriam McD. Miller, Co-Counsel for Administrative Law, Office of the Solicitor, Department of Labor, 200 Constitution Avenue, NW., Room N-2428, Washington, DC 20210, telephone (202) 219-8188.

SUPPLEMENTARY INFORMATION: Pursuant to section three of the Privacy Act of 1974 (5 U.S.C. 552a(e)(4)), hereinafter referred to as the Act, the Department hereby publishes notice of a new system of records currently maintained pursuant to the Act. This document supplements this Department's last publication in full of all of its Privacy Act systems of records. On September 23, 1993, in volume 58 at page 49548 of the **Federal Register**, we published a notice of all 138 systems of records which were maintained under the Act. Of those 138 systems, there were 37 new systems. On April 15, 1994 (59 FR 18156) the Department published two new systems, which brings the total of system of records to 140. On May 10, 1995 (60 FR 24897) the Department published one new system, which brings the total of systems of records to 141.

1. The new system presented herein is entitled DOL/ILAB-2, Senior Technical Assistance Register (STAR). The system contains the names, addresses and related information of individuals who are offering unpaid assistance to ILAB in carrying out technical assistance in developing counties. The purpose of the system is to provide for the collection and maintenance of information on these individuals who can offer expert advice to developing nations.

2. The Department also hereby proposes to amend an existing system of records, DOL/SOL-7, Solicitor's Legal Activity Recordkeeping System, in order to revise a number of categories, such as Categories of Individuals Covered, Categories of Records, Purpose and Routine Uses. The purpose and effect of the revisions will enable the Department

to track the time spent on litigating court cases and for providing other legal services. This tracking will assist the Department to prepare budget submissions and to assist in allocating resources within the Office of the Solicitor. In a related matter, the revision will add paralegal specialists as a newly covered group of employees. The revision will also make certain non-substantive revisions to the Categories for System Manager and System Location.

Universal Routine Uses

In its September 23, 1993 publication, the Department gave notice of eleven paragraphs containing routine uses which apply to all of its systems of records, except for DOL/OASAM-5 and DOL/OASAM-7. There eleven paragraphs were presented in the General Prefatory Statement for that document, and it appeared at pages 49554-49555 of volume 58 of the **Federal Register**. Those eleven paragraphs were republished in an April 15, 1994 document in order to correct grammatical mistakes in the September 23, 1993 version. In the May 10, 1995 publication the General Prefatory Statement was again republished as a convenience to the reader of the document. At this time we are again republishing the May 10, 1995 version of the General Prefatory Statement as a convenience to the reader of this document.

The public, the Office of Management and Budget (OMB), and the Congress are invited to submit written comments on this new system. A report on this new system has been provided to OMB and to the Congress as required by OMB Circular A-130, Revised, and 5 U.S.C. 552a(r).
